

REMARKS

In response to the Examiner's rejection of claims 1, 4 and 7 under 35 U.S.C. 103 (a), the Applicant incorporates claims 4, and 5 into claim 1 to become claim 8. Claims 6, 2, 3 and 7 respectively become claims 9, 10, 11 and 12 and are dependent on claim 8. The Abstract and the Specification have been amended to correct some grammatical errors and to conform the specification to naming conventions adopted in the amended claims. No new matter has been added.

The Applicant believes that the foregoing amendment overcomes the reasons for rejection and the objections to the referenced application, and thus early approval of the referenced application is earnestly solicited.

Respectfully submitted,

BELASCO JACOBS & TOWNSLEY, LLP
